Consultancy for Revaluation of Land & Buildings of Da Afghanistan Bank

Country: Islamic Republic of Afghanistan

Entity Name: Da Afghanistan Bank (Central Bank)

Consultant Service: Consultancy for Revaluation of Land & Buildings of Da Afghanistan Bank

Funded by : Da Afghanistan Bank

EOI #: DAB/99/NCB/QCBS/CS02

Advertising Date: 6th October 2020

Closing Date: 26th October 2020

1. Background

Da Afghanistan Bank (DAB) was established in 1938 as Islamic Republic of Afghanistan's Central Bank and plays a critical role in the economy and overseeing of the banking system in Afghanistan. The Bank has allocated funding from its internal revenue and intends to apply part of it for payments towards the contract for revaluation of Land and Buildings. Policy No: 4 Capitalization of Property, Plant and Equipment article 3.8 which is approved by the Supreme Council of DAB states that "As a general rule, the Bank shall use the cost model of recording fixed assets. However if the management feel that there is a good reason to revalue some Property, Plant and Equipment, then revaluation model shall be used and applied to the entire class of Property, Plant and Equipment,. This shall result in like assets having the same measurement basis. Further the Land & Building shall be revalued every 5 years."

2. Overall Objectives

The company which has profession in these criteria shall conduct an overall site survey of Da Afghanistan Bank Land & Buildings in all provinces where DAB has properties, and based on the market fair value the properties should be revalued. And a systematic valuation process should be used and report the output and results to DAB Finance, Construction and Procurement Departments.

3. Scope of Work

These terms of reference address the requirement for revaluation of DAB's land and building on all provinces for the financial year of 1399 and should be conducted by a professional and ethical company through focusing the followings.

- Properties should be revalued based on "Market Fair Value"
- Land and Building should be revalued separately
- The total area of land and area of building should be measure on square meter (m²)
- Photos of the building should be taken from four sides
- Year of construction and reconstruction of the building should be specified
- Location, Condition, No of Floors, No of Rooms, Cardinal directions, Address and user of the property should be specified
- Determine value, area of the property given to rent partially or wholly as per IAS 40 investment property
- Parking area, green area, guard towers, cooling and heating systems should be specified and the photos should be taken

- Valuation process, property site description and market analysis should be reported accurately to DAB management.

4. **Reports and Deliverables**

The company is required to submit a separate report which should be signed and stamped for each property in a specific form based on the DAB scope of work with its necessary documents and attachments on time to the procurement and finance departments. Further, the firm will provide regular progress reports on its Consultancy to the Management of Da Afghanistan Bank, General Service, Procurement and CFO offices. Upon the acceptance of the report the payment should be processed. Following table is the deliverables and payment terms
